

SAVE OUR  
ALASKAN RAINFOREST!

Black bear with salmon. The Tongass National Forest in Alaska is home to many species of bear (including the world's largest remaining population of grizzly bears). NRDC is defending Tongass wildlife against plans for increased clearcutting.

PLEASE ENSURE THE  
CALFED PROGRAM.  
INVEST IN WATER EFFICIENCY.  
ENFORCE POLLUTION LIMITS.  
STOP MAKING TAXPAYERS  
PICK UP THE TAB FOR  
PRIVATE COMPANIES IN  
VESTMENTS. STOP CLEAR-  
CUTTINGS AROUND  
OUR STREAMS.
